## FEEDING THE HUNGRY

Our soup kitchen was set on fire  
May 26, 2020  
1:30 AM

Building was a total loss

New soup kitchen has a new site  
has a drive up window  
and a walk up window

We are about 90% done with building  
Hope to be open in February  
Same seating space  
Larger kitchen and storage

Custom built for our  
need  
and the building is  
dept free

*Thank you for being part of our ministry 🙏*
