

Foundations of Faith Community Nursing

September 15 – October 29, 2022

Are you hearing the call to serve your community of faith, or the greater community, through your vocation as a nurse? Would you like to learn more about caring for the whole-person through a faith-based lens? In these tumultuous times, many are feeling a pull to connect health and faith, love and compassion in their daily lives and their work. If this is true for you, this may be the course for you!

The **Foundations of Faith Community Nurse (FCN)** course prepares registered nurses to provide leadership as a faith community/parish nurse or incorporate these holistic care skills into their current practice.

- Dates:** In-person sessions September 15 – 16, 2022 with closing session October 29, 2022, at Augustana University, Sioux Falls
Online learning occurs September 17 – October 28, 2022
- Cost:** \$325 – Early Bird: Application and payment by August 18, 2022
\$375 – Application and payment August 19-September 1, 2022
Cost includes meals during in-person days, Foundations of FCN Text, and FCN Scope and Standards of Practice.
- Contact Hours:** Sanford Health is approved as a provider of nursing continuing professional development by Ohio Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. (OBN-001-91)
