

Need a Ride?

Buses are available to some of our Storm Mountain Camps. Below you will find info on where you may board the bus and the associated cost. If you want to ride the bus one way only, the cost is divided in half. If you are boarding the bus at one location and returning to a different location after camp, please note the cost is calculated by adding one half the cost of each stop listed below.

There must be a minimum number of campers to make the bus cost effective. If not enough campers register to ride the bus you will be notified at least two weeks before camp begins and a bus fee refund check will be issued.

If you want to ride the bus . . . follow these steps:

1. If you are registering for a camp on-line, please complete the transportation section. You must pay the FULL BUS FEE.
2. If you are registering with a paper copy of our registration form returned by US mail, email or fax, in the Payment Information box on the registration form please check the "I wish to ride the Conference bus" box. **Do not check this box if you are riding your local church bus.**
3. Complete the name of the town where you will board the bus and return to if different from where you boarded.
4. Complete the Bus Fee.
5. FULL BUS FEE must be included with camp registration form and the camp payment. **Camper will not be registered for the bus until the FULL BUS payment is received.**

*If your registration is mailed to our office, we will email a confirmation with bus information.
If you register online you will be able to print this information after your registration is complete.*
